Retirement Update 5/24/2021

I've been in discussions recently with another fine local dentist, Dr. Ella DerMinassian, and she has indicated her willingness and capacity to accept patients from our practice that would be displaced by my retirement.

Dr. DerMinassian, a.k.a. "Dr. D.", graduated from Howard University College of Dentistry in 2008 and completed a one year residency in Advanced General Dentistry the following year. Since that time she has completed in depth course work in Dental Implants, Root Canals, Invisalign clear braces, Oral Surgery, Cosmetic Dentistry, Sleep Apnea treatment, and more. She is a member in good standing with the A.D.A and the Southern Maryland Dental Society.

Dr. D. will impress you, as she does me, with her deep dedication to the health and well being of the patients under her care. Her personality is warm, friendly, and caring, and her commitment to excellence comes shining through. Her office is open, airy, uncluttered, clean, and beautiful. She has invested in state of the art technology in order to offer her patients efficient, high quality and comfortable care they can afford.

Those of you that have been coming to me for a long time know that I enjoy developing rapport and friendship and a "feeling of family" in the office. Dr. D. also loves people and it shows. If you choose her to continue your care, you will be well treated and made to feel like more than just a patient. It is therefore a pleasure for me to recommend her for your dental care going forward. Have a look at her website: [FallsGroveParkDental.com](http://FallsGroveParkDental.com) or email: [Team@FallsGroveParkDental.com](mailto:Team@FallsGroveParkDental.com)

Please email us with any questions or to transfer your records electronically.

Warm regards,

Dr. Glass
